## Notice to client

The discounter must give you, at the time of your transaction, at least 85 cents for each dollar of the first $\$ 300$ of the estimated refund, plus 95 cents for each remaining dollar.

If you ask, the discounter has to give you a copy of your return and any related information slips.
The discounter has to inform you of the actual amount of the refund and send you any notice of assessment or notice of reassessment received.

If the actual amount of the refund is more than the estimated amount (box A) by $\$ 10$ or more, the discounter has to make every reasonable effort to pay you the full amount of the excess as soon as the refund is received. However, the discounter is allowed to keep the refund interest.

Before discounting your refund, you should think about the time it takes to process your return and the cost of having your return prepared. In most cases, we can process electronically filed returns in about two weeks. We process paper returns in four to six weeks.

The following are examples of refund amounts and the cost to you to discount these amounts. These costs do not include taxes such as the GST/HST/PST and RST.

| Refund | Cost to you to discount |
| :---: | :---: |
| $\$ 250$ | $\$ 37.50$ |
| $\$ 500$ | $\$ 55.00$ |
| $\$ 750$ | $\$ 67.50$ |
| $\$ 1,000$ | $\$ 80.00$ |
