

APPLICATION BY A NON-RESIDENT OF CANADA (corporation) FOR A REDUCTION IN THE AMOUNT OF NON-RESIDENT TAX REQUIRED TO BE WITHHELD ON INCOME EARNED FROM ACTING IN A FILM OR VIDEO PRODUCTION

Section 1 – Information

- A corporation related to a non-resident actor may benefit from electing, under section 216.1 of the *Canadian Income Tax Act*, to file a Canadian tax return and pay tax at marginal rates on the net income from acting in a film or video production in Canada.
- If the corporation elects to file a return, complete this application and the Canada Revenue Agency (CRA) will determine whether doing so would benefit the corporation. If your application indicates that the corporation would benefit from filing an elective return, the CRA will authorize the Canadian payer(s) to reduce the amount of non-resident tax they withhold from the acting income. So, please provide all of the requested information so that we can process the application.
- If the CRA approves this application, the corporation will have to file its elective return within six months of the end of the taxation year to which the return relates. If the corporation does not file the return by the filing due date, the CRA will assess it at a rate of 23% on the gross income earned from acting services in Canada. **If the corporation elects to file a return and has paid a related individual actor, the actor also has to file an elective return.**
- If the corporation elects to file a return, it must report all income earned in Canada during the current tax year on that return, including income listed in section 6, below. Please consult the T4012 – T2 *Corporation – Income Tax Guide*.
- The reduction in the amount of tax withheld does not apply to non-acting income (i.e. income from producing or directing). This income must also be reported on the tax return, but it may be eligible for an exemption under a tax treaty between Canada and the country of residence.
- If you are a resident of the US and you are claiming an exemption under a tax treaty because your total gross acting income for the year is or will be less than \$15,000.00, you do not need to complete the expenses attributable to acting services in Canada in section 7 of this form.
- Send this application to the applicable tax services office. Attach a copy of the actor's contract.
- Further information, along with the addresses and phone numbers of the applicable services office, is available at <http://www.cra-arc.gc.ca/tx/nrsdnts/flm/menu-eng.html>.
