- Small manufacturing corporations that meet requirements 1 through 4 in Part 1 of this schedule should complete Part 1 only. All other corporations should complete Part 2 except those that only generate electrical energy for sale or produce steam for sale. Corporations that generate electrical energy for sale or produce steam for sale must complete Part 10 on page 5.
- Income that is eligible for the small business deduction is not eligible for the manufacturing and processing profits deduction.
- All legislative references are to the *Income Tax Act* and the *Income Tax Regulations*.
- See page 7 for notes and definitions to help you complete this schedule.

### Part 1 – Small manufacturing corporations

See [notes 1 to 7](#) on page 7.

To qualify as a small manufacturer, the corporation has to meet all of the following requirements:

1. its activities during the year were mainly manufacturing or processing in Canada of goods for sale or lease;
2. the following calculation totals \$200,000 or less: active business income **minus** active business losses of the corporation for the year [this includes the corporation's share of active business income and active business loss for the fiscal period of each partnership of which the corporation was a member at any time in its year (see [i](#)) below] ..... **100** \_\_\_\_\_

**Add:**  
the active business income for the tax year of each Canadian corporation with which the corporation was associated in the year (see [ii](#)) below) ..... **105** \_\_\_\_\_

Total (line 100 **plus** line 105) **110** \_\_\_\_\_

3. it was not engaged at any time during the year in any activities as set out in subsections 5201 (c) to (c.3) of the Regulations.
4. the corporation did not carry on any active business outside Canada at any time during the year.

**If the corporation meets requirements 1 through 4, its Canadian manufacturing and processing profits are equal to line 100 above. Enter this amount on line 200 in Part 9 of this schedule.**

If the corporation does not meet requirements 1 through 4, complete Part 2 below.

#### Partnerships and associated corporations

On a separate sheet of paper attached to this form, please give the following information (if it applies):

- i) for partnerships – give the name, partnership identification number, and total income or loss from each active business carried on by each partnership of which the corporation was a member at any time in its tax year; and
- ii) for associated corporations – give the name, Business Number, and total income from each active business for the tax year carried on by each Canadian corporation with which the corporation was associated in the year.

Note 1: Applies only to corporations that were Canadian-controlled private corporations throughout the tax year.

Note 2: Calculate the amount of foreign business income tax credit without reference to the corporate tax reductions under section 123.4.

Note 3: General tax reduction for the tax year being 13% since January 1, 2012, the equation  $1/(0.38 - X)$  becomes:  $1/(0.38 - 0.13) = 1/(0.25) = 4$

Note 4: Enter "0" if the corporation is only claiming a manufacturing and processing profits deduction for generating electrical energy for sale or producing steam for sale.

Note 5: If the corporation is also claiming a manufacturing and processing profits deduction for other eligible activities, enter amount L13 on line J9 of Part 9. If the corporation is **only** claiming the deduction for generating electrical energy for sale or producing steam for sale, enter amount L13 on line 616 of the T2 return.

## Notes and definitions to help you complete this schedule

1. **Active business**, in relation to any business carried on by a taxpayer resident in Canada, means any business other than a specified investment business or a personal services business.
2. **Active business income of an associated corporation** includes its share of the active business income for the fiscal period of a partnership of which it was a member at any time in the year.
3. **Fiscal period of a partnership** refers to the period coinciding with or ending in the tax year of the corporation.
4. **Tax year of an associated corporation** means any tax year that coincides with or ends in the tax year of the corporation completing this schedule.
5. **Year** means the tax year of the corporation completing this schedule.
6. **Canadian manufacturing and processing profits** is defined in subsection 125.1(3). There is also a definition of **manufacturing or processing** which lists activities that are not included.
7. The term **associated** has the meaning given by section 256. See the *T2 Corporation Income Tax Guide* for more information.
8. To determine the **cost of capital**, exclude from the gross cost or rental cost, the part that reflects the extent the property was used during the year by the corporation or the partnership (section 5204 of the Regulations):
  - (a) in an active business carried on outside Canada;
  - (b) to earn Canadian investment income or foreign investment income as defined in subsection 129(4) (assuming that the subsection applies also to partnerships);
  - (c) in activities that earn Canadian resource profits as defined in section 5202 of the Regulations; or
  - (d) in activities referred to in items (a), (b), or (e) under the definition of "Canadian exploration and development expenses" in subsection 66(15), items (a) or (b) under the definition of "foreign exploration and development expenses" in subsection 66(15), items (a), (c), (f), or (i) under the definition of "Canadian exploration expense" in subsection 66.1(6), or items (a), (c), or (g) under the definition of "Canadian development expense" in subsection 66.2(5).
9. Canadian exploration and development expenses, foreign exploration and development expenses, Canadian exploration expense, and Canadian development expense are defined in subsection 66(15), subsection 66.1(6), and subsection 66.2(5) respectively. The corporation's **Canadian or foreign exploration and development expenses** include the share of these expenses incurred by a partnership only if the corporation was a member of that partnership at the end of the partnership's fiscal period.
10. **Salaries and wages** paid or payable to employees or **amounts** paid or payable to non-employees by a partnership that are included in its Canadian or foreign exploration and development expenses will be excluded from the calculation of the partnership's "Cost of labour" only if these exploration and development expenses can be included in the corporate partner's exploration and development expenses (see note 9 above).
11. Section 5203 of the Regulations, **Resource income**, provides that a corporation's income from the processing of foreign ore be excluded from its net resource income (NRI) for the year. Income from foreign ore processing is generally equal to the resource profits for the year less the sum of Canadian resource profits for the year and the earned depletion base at the beginning of the immediately following tax year.
12. The following terms are defined in the *Income Tax Regulations*:

<b>Terms</b>	<b><i>Income Tax Regulations</i></b>
– Gross cost	5202 and 5204
– Net resource income	5203(3)
– Qualified activities	5202
– Rental cost	5202
– Resource activities	5203(2)
– Salaries and wages	5202
