- You can claim a Manitoba paid work experience tax credit under section 10.1 of the Manitoba *Income Tax Act* if, at any time in the tax year, you paid salary and wages to:
 - a **qualifying youth** who has completed an **approved youth work experience training program**;
 - a co-op student under a **qualifying work placement**; or
 - a **qualifying graduate**, a **qualifying apprentice**, or a **qualifying journeyman**, for a **qualifying period of employment**.
- This tax credit is made up of the following:
 - **youth work experience hiring incentive**;
 - **co-op student hiring incentive**;
 - **co-op graduate hiring incentive**;
 - **apprentice hiring incentive**;
 - **journeyman hiring incentive**.
- The terms identified are defined in subsection 10.1 of the Manitoba *Income Tax Act*. For more information, go to the Manitoba Tax Assistance Office page on the Manitoba Finance website at www.gov.mb.ca/finance.
- For the 2015 tax year, you can claim a **transitional 2015 hiring incentive** if you have a Manitoba Government proof-of-credit certificate issued for a qualifying work placement or a qualifying period of employment that ended in the 2015 tax year for work performed in the 2014 tax year.
- This credit is refundable and cannot be carried back or carried forward. If you have an unused non-refundable credit for a work placement that ended before March 7, 2006, it can be carried forward 10 years.
- Use this schedule to:
 - claim a refund of the current-year credit;
 - claim the credit to reduce Manitoba income tax otherwise payable in the current tax year;
 - calculate the non-refundable credits you have available to carry forward; or
 - transfer a credit after an amalgamation or the wind-up of a subsidiary, as described in subsections 87(1) and 88(1) of the federal *Income Tax Act* respectively.
- To claim this credit, file a completed copy of this schedule with your *T2 Corporation Income Tax Return*, along with a copy of the proof-of-credit certificate if you are claiming the transitional 2015 hiring incentive. If you file electronically, keep the certificate in case we ask for it later.
- The salary and wages of an employee are net of any other government assistance you received or are entitled to receive.
- If you are an employer that is exempt under section 149 of the federal *Income Tax Act*, you can use this schedule; however, to claim the credit, you will also have to complete Schedule 5, *Tax Calculation Supplementary – Corporations*, and file a *T2 Corporation Income Tax Return*.
