- Use this schedule to claim an Ontario computer animation and special effects (OCASE) tax credit under section 90 of the *Taxation Act, 2007* (Ontario). Complete a separate Schedule 554 for each eligible production.
- The OCASE tax credit is a refundable tax credit that is equal to 20% of the qualifying labour expenditures, incurred before April 24, 2015, and 18% of expenditures incurred after April 23, 2015, by a qualifying corporation in a tax year, that are directly attributable to eligible computer animation and special effects activities (ECASEA) for an eligible production. Transitional rules may allow qualifying labour expenditures incurred after April 23, 2015 and before August 1, 2016 to be eligible for the 20% rate, see Part 4.
- For a production that only starts incurring eligible expenditures after April 23, 2015, the qualifying corporation must have also been issued a certificate for either the Ontario Production Services Tax Credit (OPSTC) or the Ontario Film and Television Tax Credit (OFTTC) for the production to be an eligible production.
- The criteria for a corporation to be eligible for the OCASE tax credit include the eligibility requirements in Part 3 of this schedule.
- Before claiming an OCASE tax credit, a qualifying corporation must first complete and sign the Ontario Media Development Corporation (OMDC) application for an OCASE tax credit, and send it and a videotape copy of the animation or visual effect (AVE) for which the request is being made to the OMDC. If the AVE is eligible, the OMDC will issue a certificate certifying the estimated amount of the corporation's OCASE tax credit for the tax year. Only one certificate of eligibility is issued for all of the eligible productions of the qualifying corporation for the tax year for the OCASE tax credit. Enter the certificate information for this production in Part 2 of this schedule.
- To claim the OCASE tax credit, include a completed copy of this schedule for each production and a copy of the certificate of eligibility issued by the OMDC with the T2-Corporation Income Tax Return for the tax year. If you are filing electronically, submit a copy of the certificate of eligibility to the appropriate Film Services Unit (FSU) at www.cra.gc.ca/filmservices. The location of the qualified corporation's books and records usually determines which FSU will handle the review of your claim.
