- Use this schedule to claim an Ontario production services tax credit (OPSTC) under section 92 of the *Taxation Act, 2007* (Ontario). Complete a separate Schedule 558 for each eligible production.
- The OPSTC is a refundable tax credit that is equal to 25% of the qualifying production expenditure (QPE) incurred after June 30, 2009 and before April 24, 2015 and 21.5% for QPE incurred after April 23, 2015 by a qualifying corporation in a tax year for eligible productions. Transitional rules may allow qualifying production expenditures incurred after April 23, 2015 and before August 1, 2016 to be eligible for the 25% rate (see Part 4). For expenditures incurred after June 30, 2009, only expenditures incurred after the final script stage to the end of the post production stage are eligible for the credit.
- The criteria for a corporation to be eligible for the OPSTC include the eligibility requirements in Part 3 of this schedule.
- A qualifying corporation's OPSTC is nil for an eligible production if it claims the Ontario film and television tax credit for that same production for any tax year.
- Before claiming an OPSTC, a qualifying corporation must obtain a Certificate of Eligibility from the Ontario Media Development Corporation (OMDC) for each eligible production. Enter the certificate information for the production in Part 2 of this schedule.
- The OPSTC is considered government assistance under paragraph 12(1)(x) of the federal *Income Tax Act* and must either be included in income in the tax year the credit is received or deducted from the capital cost of the property. The OPSTC is not considered assistance under subsection 33(4) of Ontario Regulation 37/09 to the *Taxation Act, 2007* (Ontario) for the purposes of calculating the credit itself.
- To claim the OPSTC tax credit, include a completed copy of this schedule for each production and a copy of the certificate of eligibility issued by the OMDC with the *T2 Corporation Income Tax Return* for the tax year. If you are filing electronically, submit a copy of the certificate of eligibility to the appropriate Film Services Unit (FSU) at www.cra-arc.gc.ca/filmservices. The location of the qualified corporation's books and records usually determines which FSU will handle the review of your claim.
