## Schedule 88

Protected B when completed

## Internet Business Activities (2013 and later tax years)

Corporation's name	Business number	Tax year-end				
			Year	1	Month	Day

- File this schedule if your corporation earns income from one or more webpages or websites.
- You may earn income from your webpages or websites if:
  - you sell goods and/or services on your own pages or websites. You may have a shopping cart and process payment transactions yourself or through a third-party service;
  - your site doesn't support transactions but your customers call, complete, and submit a form, or email you to make a purchase, order, booking, and others;
  - you sell goods and/or services on auction, marketplace, or similar websites operated by others; or
  - you earn income from advertising, income programs, or traffic your site generates. For example:
    - static advertisements you place on your site for other businesses
    - affiliate programs
    - advertising programs such as Google AdSense or Microsoft adCentre
    - other types of traffic programs.
- Also file this schedule if you don't have a website but you have created a profile or other page describing your business on blogs, auction, market place, or any other portal or directory websites from which you earn income.
- File this schedule with your T2 Corporation Income Tax Return.

How many Internet webpages or websites does your corporation earn income from?	_
Provide the Internet webpage or website addresses (also known as URL addresses)*:	
http://	_
What is the percentage of the corporation's gross revenue generated from the Internet in comparison to the corporation's total gross revenue?	%
* If you have more than five websites, enter the addresses of those that generate the most Internet income. If you don't have a website but you have created a profile or other page describing your business on blogs, auction, market place, or any other portal or directory websites, enter the addresses of the pages if they generate income.
