

# T3 Provincial or Territorial Foreign Tax Credit

Use this form to calculate the **non-business** foreign tax credit for 2014 that the trust can deduct from the income tax payable to the province or territory it resided in at the end of the year.

This form does not apply to residents of Quebec. If the trust is a resident of Manitoba and subject to minimum tax, it cannot claim a provincial foreign tax credit.

Before you complete this form, calculate the trust's federal foreign tax credit by using Form T3 FFT, *T3 Federal Foreign Tax Credits*. If the amount of the federal non-business foreign tax credit the trust is entitled to deduct is equal to the foreign non-business tax the trust paid, the provincial or territorial foreign tax credit would be zero. As a result, you do not have to complete this form.

**Attach** a completed copy of this form to the trust's return. If the non-business income taxes the trust paid to all foreign countries total more than \$200, complete a separate form for each foreign country to which the trust paid taxes.

<b>Country or countries for which the trust is making this claim:</b> _____	
Enter the amount from line 1 of Form T3 FFT, <i>T3 Federal Foreign Tax Credits</i> .	1
Enter the amount from line 3 of Form T3 FFT, <i>T3 Federal Foreign Tax Credits</i> . If the trust is subject to minimum tax for 2014, see the Note at the bottom of the page.	2
Line 1 minus line 2	3
Net foreign non-business income* <span style="margin-left: 100px;">×</span> Provincial or territorial tax otherwise payable***	4
Divided by: Net income**	5
Enter the amount from line 3 or line 4, whichever is <b>less</b> . The amount on line 5 should not be more than the amount entered on the line above for provincial or territorial tax otherwise payable.	<b>Provincial or territorial foreign tax credit</b>
Enter the amount from line 5 on the line for the provincial or territorial foreign tax credit of the appropriate T3 provincial or territorial form. If the trust has to pay tax to more than one province or territory, enter the amount from line 5 on the applicable line in Part 3 of Form T3MJ, <i>T3 Provincial and Territorial Taxes for 2014 – Multiple Jurisdictions</i> , only for the province or territory the trust resided in on the last day of the year.	

**\* Net foreign non-business income**

Enter the amount reported as net foreign non-business income in the calculation of line 2 on Form T3 FFT.

**\*\* Net income**

Enter the amount reported as net income in the calculation of line 2 on Form T3 FFT.

If the trust was a resident of Canada for part of the year, include the income for the part of the year it was a resident of Canada plus any income and losses referred to in paragraphs 115(1)(a) to (c) of the federal *Income Tax Act* as reported on the trust's Canadian return, for the part of the year the trust was not a resident of Canada.

If the trust paid tax to more than one province or territory in 2014, calculate this amount according to note (c) of Form T3 FFT, using the amount allocated to the trust's province or territory of residence in column 4, Part 1 of Form T3MJ **instead of** line 50 of the trust's return in that note.

**\*\*\* Provincial or territorial tax otherwise payable**

If the trust was a resident of a province or territory other than **Ontario, Alberta, or British Columbia**, enter the amount of tax calculated **before** determining the provincial or territorial foreign tax credit from the appropriate T3 provincial or territorial form or, if the trust has to pay tax to more than one province or territory, from the applicable section of part 3 of Form T3MJ for the province or territory in which the trust resided at the end of the year.

If the trust was a resident of **Ontario**, enter the amount from line 27 of the T3ON Form. If the trust paid tax to more than one province or territory in 2014, enter amount from line 28 in Section T3ONMJ in Part 3 of Form T3MJ.

If the trust was a resident of **Alberta**, calculate the trust's "provincial or territorial tax otherwise payable" by adding the amounts from lines 8, 9A, and 9B to the amount from line 14 of the T3AB Form or the total of lines 6, 7A, 7B, and 18 in Section T3ABMJ of Form T3MJ. If the trust was a resident of **British Columbia**, the trust's "provincial or territorial tax otherwise payable" is the amount of tax calculated **before** determining the provincial and territorial foreign tax credit minus any British Columbia additional tax for minimum tax purposes from the T3BC Form or Section T3BCMJ of Form T3MJ.

**Note**

If the trust was a resident of **British Columbia** and subject to minimum tax, follow the instructions for line 2 as if it was not subject to minimum tax.

If the trust was a resident of another province or territory, and is subject to minimum tax for 2014, enter on line 2 the sum of line 3 of Form T3 FFT, *T3 Federal Foreign Tax Credits* and the part of the special foreign tax credit (line 40 of Schedule 12, *Minimum Tax*) that relates to non-business income taxes the trust paid to a foreign country for 2014.
