as presently constituted, qualifies under Article XXI(1), of the Convention, for exemption from Canadian withholding tax on (*type(s) of income*) income received from Canadian sources. The CRA identification number assigned to this organization is (*identification number*) and this exemption letter expires on (*date*). The payer(s) concerned should be furnished with a photocopy of this Letter of Exemption as their authority for making payment of (*type(s) of income*) amounts without deduction for Canadian withholding tax. Should this exemption be withdrawn, you are required to so advise the payer(s) immediately.

sous sa forme actuelle, est admissible, en vertu de l'article XXI(1) de la Convention, aux fins de l'exonération de la retenue d'impôt canadien sur les revenus (*genre(s) de revenus*) de provenance canadienne. Le numéro d'identification de l'ARC attribué à cet organisme est le (*numéro d'identification*) et la présente lettre de dispense expire le (*date*). Veuillez fournir au(x) payeur(s) en cause une photocopie de la présente lettre de dispense à titre d'autorisation de payer les montants de (*genre(s) de revenus*) sans opérer la déduction au titre de la retenue d'impôt canadien. Si la présente exonération est annulée, le ou les payeurs doivent en être informés sans délai.

Pursuant to paragraph 4 of Article XXI of the Convention, this exemption does not apply to income earned in Canada by the organization from carrying on a trade or business, or to income from a "related person" other than a person referred to in paragraphs 1 or 2 of Article XXI of the Convention. Income of these types may be subject to Canadian withholding taxes. (For your convenience, paragraphs 1 through 4 of Article XXI are reproduced in the attached appendix to this letter.)

Conformément au paragraphe 4 de l'article XXI de la convention, cette exonération ne s'applique pas aux revenus que l'organisme a gagnés au Canada dans le cadre de ses activités commerciales ou aux revenus d'une « personne apparentée » autre que les personnes désignées aux paragraphes 1 et 2 de l'article XXI de la Convention. Les revenus de ce genre sont assujettis à la retenue d'impôt canadien. (Pour vous faciliter les choses, nous avons reproduit les paragraphes 1 à 4 de l'article XXI à l'annexe de la présente lettre.)

Whether income is from carrying on a business is a question of fact. While it is not the only instance in which Canada might consider income to be from carrying on a business, in most cases, where income would be treated as "unrelated business income" under the Internal Revenue Code (the Code), it is probable that Canada would conclude the income so categorized is from carrying on a business.

La désignation d'un revenu comme étant un revenu d'entreprise est une question de fait. Bien que cela ne soit pas la seule situation où le Canada pourrait considérer qu'un revenu quelconque est un revenu d'entreprise, dans la plupart des cas, si un tel revenu peut être traité comme un « revenu d'autre source » selon le Code des taxes intérieures (le Code), le Canada conclurait probablement qu'un tel revenu est un revenu d'entreprise.

To best ensure timely renewal of this exemption, please write to us at least three months prior to the date on which the exemption herein granted expires. Please include with the letter a notarized statement confirming that there have been no changes in any of:

- ❖ the organization's activities, objectives, and purposes;
- ❖ the type(s) of income with respect to which the exemption is sought; and
- ❖ the organization's tax-exempt standing with the IRS.

Where there have been any such changes, please provide us with complete details.

Please notify this office promptly should there be any change in the organization's tax-exempt status under the Code, in the Internal Revenue Service determination of the exempt activities of the organization and/or the objectives, purpose or name of the organization.

Yours sincerely,
